

ENIGMA TEMPLE

TEAM BUILDING GAME

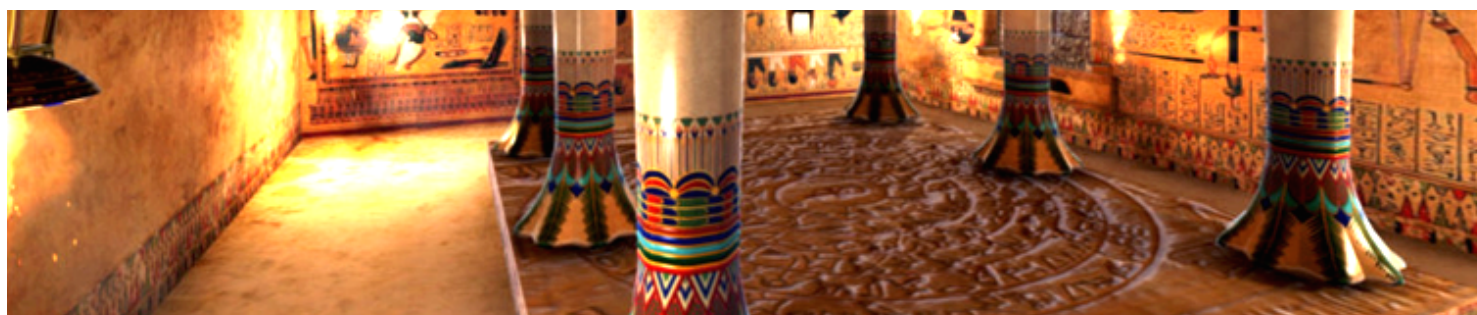

IN WHICH AREAS DOES IT ENABLE DEVELOPMENT?

- Communication skills
 - Teamwork
 - Leadership sharing
 - Open communication for goal congruence
 - Planning and information management
- 

ENIGMA TEMPLE

In a newly discovered pyramid, in spite of many dangers, will you be able to find the treasure together and get out alive? It is easy to get into this pyramid, but it is not easy to escape from it.

Only by mutual understanding and acting together will you be able to defeat the narrowing walls, death pit, mummies, Seth's cursed soldiers and many other dangers.

Enigma Temple, which thousands of people are both entertained and thrilled by while they are playing it, but which, most importantly of all, they leave with lasting development, awaits your challenge.
